Dave Thorp of **the workshop** - marketing design consultancy, Longhope, who has once again worked with me on what is now a tried-and-tested recipe (*pardon the pun!*) for a best selling Cookbook. He has once again put up with my incessant and often ridiculous questions and has come to understand my fear of technology!

Thank you to all the contributors for their recipes and photographs. A special thank you to all the P.A.'s who have put up with my constant nagging and questions!

Katie for her help in tracking down the more elusive celebrities!

Julie for her help getting the Rugby world represented.

Disclaimer:

I apologise in advance for any omissions or errors I have made in The Old Spot Trust Cookbook. I have hopefully recorded the correct information as given to me about the recipes but I am no Master Chef so forgive me if I have not!
