

Frightmare & the Haunted Hayride at Over Farm Market at Halloween

The event will be running from Saturday 25th - Friday 31st October and will include 'Frightfully Funny' activities during the day and '**Frightfully Scary**' activities in the evening.

The Farm will be transformed from 'Frightfully Funny' in the day to '**Frightfully Scary**' come night fall where the attractions will be designed to test your nerves with the haunted hayride that the farm is renowned for, as well as the chance to pay the new terrifying haunted cottage a visit and St Mass Acre Monastery. You can also chose a pumpkin, have a drink and grab a bite to eat.

Tickets for the haunted hay ride cost £8.50 per person or £30 for 4 tickets and are available from the Over Farm Market shop or you can call 01452 521014 to book. If you could also include a link to the frightmare website that would be great, the address is www.frightmare.co.uk
