### **"Frightfully Funny" day time activities**

During the day all our attractions are "family friendly" and include:

- Trailer rides to the pumpkin patch where visitors can walk amongst the pumpkins and choose their pumpkin. Children can usually partake in a treasure hunt whilst they are looking

- Children's amusement rides
- Quad train rides
- Fairground rides
- Shows and entertainment

### **"Frightfully Scary" night time activities**

As darkness falls our attractions become "Live" and ghosts and ghouls come out to play!

All the day time attractions will be available, along with:

- The infamous Haunted Hayride
- The Haunted House
