Pink Car Rally

The Old Spot Trust pink 'Pig-Up' truck joined a stream of pink cars that made their way across the county to raise money for 'The Little Princess Trust.'

The cars started at Hereford Hospital and headed for Bristol Children's Hospital, calling at Tewkesbury, Cheltenham and Gloucester on the way to pick up more supporters to join their convoy.

Entry to the rally cost £20, the money raised goes towards providing wigs and hair pieces for girls undergoing treatment for cancer or who suffer from alopecia.
