

## **Grant & Co set up a Piggy bank for charity - 3 January 2009**

Chartered Accountants and Business Advisors from Grant & Co in Cheltenham have set up their own 'piggy bank' in aid of The Old Spot Trust 'Gloucestershire's piggy bank to benefit local charities and good causes.'

The piggy bank lives in the kitchen area at the companies premises and acts as a tuck shop donation box. When staff at Grant and Co get themselves treats such as chocolate and crisps from the kitchen they make a contribution to the 'piggy.'

'We all like the idea of eating chocolate and being virtuous instead of sinful! We regularly have our noses in the trough!' said Sara Burton, Grant & Co

The Old Spot Trust was set up at the beginning of this year with the aim to benefit local charities and good causes in the Gloucestershire area. Any money that Grant and Co raise through their donations will go to the Old Spot Trust and will consequently be deposited back into the local community through grants in the near future.

Grant and Co have also sent out e-cards this Christmas to be eco-friendly and again will be donating some of the money that they save to the Old Spot Trust.
